

HAVEN FOUNDATION BOARD OF DIRECTORS

The Haven is a centre for personal and professional growth and development on Gabriola Island, BC. Since 1983, our highly skilled facilitators and unique curriculum have enabled thousands to experience deep healing, growth, and transformation in mind, body, and spirit.

Haven Foundation is a registered charity in Canada and the United States and operates as a not-for-profit. Our operations and business are complex and we rely on a dedicated and highly-skilled volunteer Board of Directors to provide support to our Executive Director through the Carver Model of governance.

We are seeking new volunteer board members with specific expertise to help guide the organization into the future:

- Experience operating a small- to medium-sized business
- Knowledge of facilities maintenance, construction, and/or managing capital projects
- Experience in curriculum development and/or educational program administration
- Success with fundraising and donor management
- Contacts in media relations and/or marketing savvy
- Experience in IT transformations for small to medium-size businesses

We are a policy governance board meaning we do not directly engage in the day-to-day operations, but monitor them through policy compliance by the Executive Director. It is an active board, meeting on a regular basis and addressing a variety of issues of this complex organization. We communicate by email and occasionally by video call between meetings.

We are a Board that operates in a collaborative and respectful manner and we welcome diversity. If you are interested in becoming a volunteer Board Director, please submit a resume and cover letter expressing your interest online. If you have questions or would like to speak to a Director before applying please send an email to our Board Secretary: Christine@haven.ca.
